

Name: _____

Date: _____

The A.L.A. ~~curriculum~~ curriculum should be taught in Rehab facilities + programs. Honestly some people should really, could really need this type of open conversation, integrity, honesty, and real life "talking" to help them see what they are doing to the people around them, ~~Friends~~ Friends, Family, Jobs, etc. they need to hear these things to better see how some of their choices are effecting their lives.
